Can we use a photo of your item on the Kingdom A&S website/social media? (Y/N): _____

Instructions: This sheet should be completed for each item you are entering in an A&S competition.
If you didn't bring separate information (documentation) to leave with your entry, you can use the space below to write something about your item.

Information about this entry (if separate documentation not provided):

Remember, 'documentation' is simply describing:

- what you have made, performed, or produced (possibly without creating a physical item)
- the effort and research you put into your project
- the trade-offs and decisions you took whilst completing your project, and
- anything you'd do differently next time.
